general sewing/quilting tools

From assorted 10" square fabrics, cut:

4 strips, 3" x 6 ½" [Rectangle A]

1 strip, 3 ½" x 6 ½" [Rectangle B]

From the light. blue fat quarter, cut:

1 rectangle for the applique background, 15 ½" x 20 ½"

From the backing fabric, cut:

1 rectangle, 20" x 30"

Have Jingle Will Rock - cont'd

Directions;

1. Sew two rectangles [Rectangle A] together with right side face. Open and press the seam. Repeat for the other set of Rectangle A. Next, sew each of these pieces to each side of Rectangle B
2. Fuse the letters to the applique background fabric as follows:
 - a. Follow manufacturer's directions for the fusible web.
 - b. Trace the letter templates to the paper side of the fusible web. Cut around the outside of the applique. Leave a 1/4" around drawn line and fuse to the wrong side of the fabric.
 - c. Cut out the applique ON the drawn line.
 - d. Fuse the applique shape to the front of the applique background fabric.
3. Sew the pieced border to the raw edge of the applique background fabric. Use the photograph for placement as shown.
4. Zig zag stitch [or use your desired stitch] around the applique shape.
5. Layer batting to the wrong side of the pieced top.
6. Quilt the top of the pillow and trim to 16 1/2"x 26 1/2"
7. With wrong sides together, sew the pillow front and back together. Leave a 3" opening for turning.
8. Turn pillow right side out and fill with polyester filling.
9. Hand-stitch the opening closed.
